LUCA CAMPANILE

Sustainability-Focused CEO Leading Global Mobility Solutions | FT
52/1000 | Entrepreneurial Leader Passionate about Transforming
Transportation for a Greener Future

Veneto, Italia

Riepilogo

Passionate and highly motivated Entrepreneur with over 15 years
of proven experience in driving strategic improvements and leading
teams to success!

As a CEO (Chief Executive Officer), I am committed to spearheading
international expansion efforts while nurturing and guiding a
dynamic, young team towards greatness.

My mission is twofold: to create impactful sales results while
delivering exceptional value to consumers on a global scale. Guided
by the mantra: "No battle plan ever survives contact with the enemy,"
I firmly believe that success in business is not a zero-sum game.
Instead, it's about forging mutually beneficial partnerships and
collaborations that elevate all parties involved.

With a diverse background spanning both product and service
industries, I've successfully led teams through various challenges,
from establishing a foothold in new territories to optimizing
operations for maximum efficiency and profitability.

I firmly believe in the power of a young, agile team - one that is eager
to innovate, adapt, and challenge the status quo. By empowering
them with the right resources, mentorship, and opportunities for
growth, we can achieve remarkable success together.

Let's connect and collaborate on transforming ideas into reality under
the leadership of a visionary CEO, driving international expansion
and cultivating the next generation of industry leaders!

Esperienza

Busforfun.com

Co-Founder & Operation Manager

gennaio 2016 - Present (9 anni 7 mesi)

Venezia, Italia

#WeTheFun | Busforfun is a young mobility company traveling in a sustainable, safe and low-cost way across Europe. Busforfun vision is a green and shared mobility to experience the world of fun.

#WeTheTech | Busforfun is a combination of high tech-startup, e-commerce-platform and transportation company, Busforfun is going to establish European largest bus network for events in the short time. Thanks to a powerful search engine, business intelligence, an user-friendly booking system and an extensive route network, Busforfun offers travellers the opportunity to experience the world of fun with lower fares.

#WeTheGreen | Our low-emission buses comply with the highest safety and environmental standards, so Busforfun offers a sustainable and convenient alternative to cars. With main partner Treedom, Busforfun plants new trees at any travel worldwide.

Live Fun Experience in partnership – our concept for success

Busforfun provides customers with great offers at lowest budget, through smart network planning and dynamic price management, the adaptive web engine.
